Quinte Conservation What's Happening News Calendar - Oct 09 - Oct 15 - Oct 21 - Oct 24 - Nov 19 This website uses cookies to enhance usability and provide you with a more personal experience. By using this website, you agree to our use of cookies as explained in our Privacy Policy. Public Notice: Herbicide Application Taking Place for Water Soldier Management control efforts for invasive Water Soldier will be taking place in the Bay of Quinte starting the week of October 5th. Residents in areas of application have been notified. Visit: <https://www.invadingspecies.com/programs/water-soldier-eradication/> to follow along with management efforts. In accordance with changes to the Conservation Authorities Act, Ontario's 36 conservation authorities will amalgamate into 9 Regional Conservation Authorities effective February 1, 2027. As part of this transition, Quinte Conservation (QC), Kawartha Conservation (KC), Ganaraska Conservation Authority (GCA), Otonabee Conservation Authority (OCA), Crowe Valley Conservation (CVC), Lower Trent Conservation (LTC), and Cataraqui Conservation (CC) are preparing to merge into the Eastern Lake Ontario Regional Conservation Authority (ELORCA). Throughout this process and beyond February 1, 2027, Quinte Conservation will continue to provide and carry out all of its programs with the high level of service expected by our residents, municipal partners, and stakeholders. Our commitment to delivering exceptional programs and services across the watershed remains unchanged. If you have questions about Quinte Conservation's programs and services, or the transition to ELORCA, please contact us at [info@quinteconservation.ca](mailto:info@quinteconservation.ca). Our management team will be pleased to assist you. Quinte Conservation is conducting annual dam operations in the Moira and Napanee regions on, or after, Tuesday, October 13. The Jamie Prud'Homme Memorial Fund, administered through Benefaction Foundation, has made its first annual donation, providing \$2,200 to support Quinte Conservation's outdoor education program. Quinte Conservation has commenced a Class Environmental Assessment study regarding Third Depot Lake Dam.
